

15th Lancelot Awards

Club Member of the Year Award

Nominations

Lindsey Ilona Brady (Castle Hill Riding Club)

Lindsey is a devoted and enthusiastic member of Castle Hill Riding Club. Lindsey is currently the chair of the North East Region having served as Secretary last year and was formerly the Secretary of our club. Lindsey works very hard to help all clubs in the region. She represents the region extremely well, and is knowledgeable and professional in all her dealings.

Lindsey is also valued member of our Committee who rely on her for her expertise and support. Lindsey is the clubs dressage diva and her results in 2019 have been amazing. Among many other great achievements, Lindsey was 1st every week in the regional dressage league, winning the overall league. Lindsey also writes a column in the Meath Coaster that promotes not only the successes of the members in our but also others in the region. She introduced the Leading Rider Awards to the region in 2018, and always has the region and its members to the fore of everything she does.

Brid Mulhall (Nuenna Farm Riding Club)

Brid has been a member of our club for around 14 years now and is an excellent member to have as part of our club, with her high standard she sets when competing, to helping the running of our club and one day events. Brid has held the Chairpersons position for years and will continue to hold it for many more to come. No task too big for Brid as she will always be there to help, when she was pregnant and not competing she was part of the few members that organised an extremely successful event.

Brid is one of those members who we would be lost without, she does a lot of work behind the scenes that not many are aware of. She is very approachable and has such a kind and gentle manner. Brid has also put a lot of work into our sports capital grant which we will be ever grateful to her for that, as it was submitted the day before she had her first child. S he'll remember that date forever more!!!!!!

Marie Smiddy (Lismore Riding Club)

Marie is our amazing treasurer and she is also the go to member for all of our members in Lismore! Marie has been so supportive and knowledgeable to the new secretary of the club, making the transition into the role very easy!

Marie is always in good form, cheery and has words of praise and encouragement for all club members. She organised very popular club training nights midweek in Jan & Feb last year. She volunteers at many events around the country and also attends all regional meetings giving up her time saying 'not a bother!' As well as volunteering she competes at events with her beloved mare Grainne, loving the day out and her van is the go-to van at any competition for a cup of tea and a sandwich!! Marie is such a valuable member to our club and region and we would love her to be recognised!
