

15th Lancelot Awards

Person of the Year Award

Nominations

Fiona Fenton (South Roscommon Riding Club)

Fiona has done so much for her own club and other people in other clubs. She puts them first before herself. When no one else will do it she will just do it without any hesitation. She deserves the recognition for this

James O'Reilly (Killcarrick Riding Club)

James is never shy of giving his time, assistance, knowledge and his training to all members no matter what club you are in. He goes the extra 200% for the riding clubs and he is a shining example to all riding club members, he didn't compete at some shows because there weren't enough volunteers to help run shows. He is a star.

Christine Keymer (Carne Riding Club)

An outstanding sports woman - always has time for others and is both supportive and helpful to all.
