Safety Notice

The following activities are not permitted on horse back

- Smoking
 - Using mobile phones
 - Eating/drinking
 - Carry a riding stick in boot
 - Removing of hat or undoing safety chin strap
 - Changing clothing
 - Riding in trainers, etc
 - Riding without a safety hat
 - Permitting children or non A.I.R.C. members to ride the horse
 - Generally riding the horse in a way that may cause an accident
 - Chewing gum

Please note that horses are not permitted to canter or gallop on any part of the show grounds except in the competition arena.

Practise jumps must be jumped as flagged. Practice fences may not exceed the height of the fences being jumped in the arena. Fences will be taped at the correct height, and anyone tampering with this tape will get the competitor eliminated.

Horses may **not** be warmed up or exercised by anyone apart from the competitor.

Horses are not permitted to warm up or exercise in the competition arenas, anyone found doing so will be eliminated from their competitions and may be subject to a fine at the discretion of the organising committee. You may only exercise your horse in the designated exercise area. Please consult the site map for details.

The Safety Stewards word is final.

Notices

Times

We have accommodated, where possible, competitors and horses who are participating in a number of competitions each day. It is inevitable, however, that some competitions may run late, so please listen out for announcements on the day.

All competitors must co-operate fully with the stewards with regard to presenting themselves in time for their respective competitions.

Please note the following with regard to each discipline:

- Dressage
 - Times have been issued for competitors in all competitions. You must turn up on time for your competition.
 - In dressage, competitors are reminded that their published time is the time that they go down the centre line to start their test, not when you leave the warm-up arena.
- Show Jumping
 - Times have been issued for competitors in some competitions. Where a specific timed has been issued, you must turn up at this time to compete. If you fail to do so, we may not be able to accommodate you later.
 - In classes where a time range has been provided, you must register with the call-up steward in the warm-up arena, before the end time provided. For example, in the RC 100 Show Jumping class, competitors have been allocated a time of 10:30 to 11:50, this means you must register at the pocket

- Showing - Presentations will take place at the end of each class. Any uncollected prizes can be collected from the Show Office thereafter.
- Performance Hunter & Working Hunter – Prizes can be collected from the Show Office after the results have been published on www.airc.ie.

Please ensure to collect your prize or rosette(s) before going home each day. Competitors must be neatly and tidily dressed for the presentation of prizes.

Exercising

Competitors may only exercise their horses in the following arenas on Friday evening:

- Sand One Warm-Up Arena
- Sand Two Warm Up Arena
- International Sand Warm Up Arena

Access to competition arenas is strictly prohibited unless competing. Access to the above arenas is via the yellow horse walk way. Horses are not permitted in the pedestrian zone at any time. Competitors are not permitted to enter the dressage fields on horseback on Friday evening. Please consult the site map for further information.

Anyone found exercising their horse in a competition area or outside the designated exercising area will be eliminated from their competitions and may be subject to a fine at the discretion of the organising committee.

Only competitors are permitted to exercise their horse at the show and they must wear their competition number while exercising their horse throughout the weekend.

Horses may only be lunged in the designated lunging area.

Litter

Rubbish must be placed in the bins provided. Please do not throw your rubbish on the ground.

Dogs

All dogs must be kept on a lead at all times while on the show grounds.

Volunteers

If you have a few hours to spare and haven't already offered your help over the weekend, please do! Drop into the Secretary's Office where we will be delighted to hear from you. Help is always required, without it, this weekend would have been impossible.

Farrier

A farrier will be available on site on Saturday morning between 10:00 and 12:00. Contact the Show Office or Stable Office if you require their service.

THE BEST LICK IN EVERY FIELD

The perfect product selection for horses

UNIBLOCK THE BEST MINERAL LICK IN EVERY FIELD | +353 (42) 932 9176 | www.uniblock.ie @MineralsMatter

SMARTER WORMING HEALTHIER HORSES

Targeted treatment.
Better protection.
Stronger future.

Evidence-based worming plans that protect your horse and help combat resistance.

Protect your horse from wormer resistance.

Test based decisions, not guesswork.

Target only what's needed, when it's needed.

Healthier horses, better performance, greater peace of mind.

THE 80:20 RULE

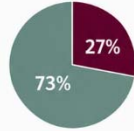

80%

of worm eggs come from just 20% of horses.

This means when we blanket worm we are significantly overdosing.

DID YOU KNOW?

- Need tapeworm treatment
- Do not need treatment

Published research shows **less than 27%** of horses actually require tapeworm treatment.

BOOK YOUR FIRST TEST TODAY TO GET STARTED ON A TAILORED PLAN

Targeted Worming Ireland helps horse owners across Ireland make informed, smarter decisions about worming.
